Activity Booklet Developed By: Lynna Vo

Snowman Science

Materials Included in Kit

- Storage Bag
- Alka Seltzer Tablets
- Observation Tracker Sheet

Optional Materials:

- Baking Soda
- Vinegar

Materials Needed:

- Snow
- Permanent Marker

Instructions

- 1** Use a permanent marker to draw a snowman face on a storage bag.
- 2** Fill the bag up with snow to make your snowman baggie.
- 3** Place Alka-Seltzer tablets in the snow-filled baggie. Zip it up tight and then wait to see what happens!
- 4** Keep an eye out over the next 30-60 minutes watch as the snowman baggie expands bigger and bigger!
- 5** Use the observation tracker to take notes and to record what you see!

Notes:

- Adult supervision is advised for safety
- To minimize messes you may want to set the bag in a larger bowl or on a towel in case it pops or leaks.

Try it next! If you are feeling especially adventurous you could even add baking soda and vinegar to make the baggie explode!

Decorate Snowflakes!

Materials Included in Kit

- Popsicle Stick Snowflakes

Materials Needed:

- Decorating materials like
 - Markers/ Crayons
 - Glitter Glue
 - Etc.

Instructions

- 1** Decorate the snowflakes to your desired look!
