# Apple Plate Yarn Weaving

## Materials Included in Kit

- Plate
- Yarn
- Clothes Pin
- Paint
- Paint Brush
- Black Construction Paper
- Tissue Paper
- Glue

## Materials Needed:

- Scissors

## Instructions

**1** Paint the rim of the plate red and let it dry completely.

**2** Cut an odd number of notches around the edges of the plate.

**3** Wrap yarn around the paper plate, sliding it through all the slits and tie it at the back of the paper plate.

**4** Cut yarn into long strips and tie one of these strips to the center of the crisscrossed yarn in the middle of the plate.

**5** Weave the yarn strip under and over the yarn on the paper plate until you finish it. Continue till you reach the red painted edges or yarn is out.

**6** Cut 3 or 4 seeds out of black construction paper and glue them on top of the yarn.

**7** Make two little leaves from tissue paper and clip them to the paper plate with a wooden clothespin.
